

The Common Cup: Not Too Common

by Melanie Novak
A2WiFi.com Reviewer

Step into the Common Cup for an uncommon coffee shop experience. At this friendly, sophisticated spot on Washtenaw Avenue, brew aficionados will appreciate the locally roasted single-origin beans and the LaMarzocco espresso machine from Italy. Skilled baristas, trained in the art of frothy lattes and smooth espresso drinks, are at your service, and their enthusiasm is contagious. In addition to the top-notch coffee, the Common Cup features free Maserati-like WiFi, local art on the walls, live folk and guitar music on weekends and delicious desserts from an Ann Arbor bakery.
